

Leroy Brown

FULL STACK WEB DEVELOPER

Kia ora! I am a Full Stack Developer that thrives in collaborative environments and loves to take on new challenges. I am looking to apply my technical and creative problem-solving skills to innovative software development projects. I am a dedicated learner, effective communicator and team player who is looking to join a company that shares my values for commitment, quality and community.

EXPERIENCE

MARCH 2023 - JULY 2023

Full Stack Web Developer

Dev Academy Aotearoa | STUDENT | Auckland

15-week (70 hrs/week) full-stack software development boot-camp, which provided a realistic team environment within an agile framework. Emphasis was placed on honing human skills, collaboration, technical skill building, mindfulness and well-being.

- Front-end design in figma; focus on creating intuitive user interfaces with special attention to the end user experience in a five. Successfully developed an e-commerce website using React.
- Conducted comprehensive testing utilising Vite and Jest on server routes for a music-sharing app, ensuring both reliability and functionality in the application.
- Seamlessly integrated front-end and back-end components for an event organiser app, utilising RESTful APIs to facilitate efficient communication and data exchange between the client and server.

2018 - MARCH 2023

Website Management, Design & Marketing

Park Supplies & Playgrounds | Auckland

PSP is one of New Zealand's leading playground companies specialising in New Zealand made play equipment and architecturally designed play spaces. I worked as their website manager, design generalist and marketing coordinator.

- Created and managed company websites using WordPress and Elementor Pro, maintaining user interfaces and optimising user experience.
- Created marketing materials and campaigns, while working closely with the Managing Director to ensure messaging aligned with company vision and brand guidelines.
- Collaborated across organisational departments to produce high-quality photographs, videos, and copy for social media and email campaigns.
